

Aterian Announces Share Repurchase Program

March 18, 2025

SUMMIT, N.J., March 18, 2025 (GLOBE NEWSWIRE) -- **Aterian, Inc. (Nasdaq: ATER)** (“Aterian” or the “Company”), a technology-enabled consumer products company, announced today that its Board of Directors has authorized a share repurchase program of up to \$3.0 million of the Company’s common stock for a period of two years ending March 18, 2027.

“The Board’s decision reflects our collective confidence in the Company’s future, the strength and flexibility of our financial profile, and our commitment to shareholders. We firmly believe that Aterian’s stock is significantly undervalued, and this repurchase program underscores our conviction in the long-term value we are creating,” said Arturo Rodriguez, Chief Executive Officer. “Over the last 18 months, we have made substantial progress in positioning Aterian for sustainable growth beginning in 2025. While our capital allocation strategy will continue to support these growth initiatives, our improved outlook and strong balance sheet give us the confidence to return capital directly to our shareholders via this share repurchase plan.”

Purchases under the plan may be made from time to time, through various means as the Company deems appropriate, including open market transactions, block purchases, privately negotiated transactions or otherwise in accordance with applicable federal securities laws, including Rule 10b-18 and Rule 10b5-1 of the Securities Exchange Act of 1934, as amended. Purchases will be based on a variety of factors such as price, capital position, liquidity, financial performance, alternative uses of capital, and overall market conditions. There can be no assurance as to the number of shares the Company will purchase, if any. The share repurchase program may be increased or otherwise modified, renewed, suspended or terminated by the Company at any time, without prior notice.
